

Your Safety is Important to Us!

In order to help prevent the spread of COVID-19, we've implemented the following safety protocols:

- Everyone entering the dojo must wear a mask which covers the nose and mouth
- Students' temperatures will be taken upon entering the dojo
- Students will be asked to sanitize their hands upon entering the dojo
- The attendance cards are only being handled by dojo employees and volunteers; no students will be asked to handle the cards
- The mat is mopped down between each class
- Any equipment used during class is sprayed with aerosol sanitizer before the next class
- Students will line up on tape marks indicated on the mat, appropriately spaced out to allow for recommended social distancing
- Chairs are spaced out to allow people from the same household to sit together, while maintaining social distancing from other households
